EBS Alumni and brothers, **Tobias Bader** (Bachelor 2017) and **Fabian Bader** (Master 2017), are managing partners and founders of **b2 Immobilien Invest GmbH**.

Tobias completed his Bachelor in General Management in 2017. After a stopover of several years in the industry as an executive assistant, he decided to attend Cambridge University to pursue a Master's degree in Real Estate Finance. Parallel to his master studies, he founded the real estate investment company together with his brother Fabian in 2020. Fabian completed his Master's degree in Management at EBS in 2017. He then worked as an international project manager in a German corporation in several European countries as well as in Asia, and within a short period of time he rose to the position of managing director of the Vietnamese foreign subsidiary.

b2 is a private and independent real estate investment company specializing in the acquisition and revitalization of retail stores, especially discount grocery stores and drugstores. Its focus is on retail properties in small and mid-sized cities throughout Germany with populations of at least 5,000.
